Q. MY DEVICE DOES NOT PLAY THROUGH MY CAR SPEAKERS WHEN I PLUG IT INTO iO CONNECT?

- A. Ensure you have turned on your ignition in your vehicle.
- A. Ensure your device volume setting is turned up to at least 50%.
- A. Ensure the 3.5mm Headphone Connectors or Phono Connectors are properly engaged.
- A. Ensure your connected device is not paused.
- A. Ensure your connected device is charged and switched on.
- A. Ensure your Audio Mute Switch is set to either Full or Ghost Mute.

Q. IS MY DEVICE COMPATIBLE WITH iO CONNECT?

- A. As long as your device has a 3.5mm Headphone Socket or Audio Phono Connectors it is compatible with iO CONNECT.

Q. WHAT SHOULD I DO IF I NEED A REPLACEMENT CONNECTOR LEAD FOR MY iO CONNECT?

- A. Please visit www.my-io.com where you can view our full range of replacement accessories and details of stockists in your area.

Q. WHAT ELSE?

- A. Visit www.my-io.com/support to view a more detailed user manual on using your iO CONNECT, answers to some common problems you may experience and all relevant safety and compliance information.

WARRANTY

Armour Automotive warrants this product to be free from defects in material and workmanship under normal use for a period of 12 months from the date of original purchase with receipt. Should service be necessary under this warranty for any reason due to manufacturing defect or malfunction during the warranty period, Armour Automotive will repair or replace (at its discretion) the defective merchandise with equivalent products. The warranty excludes damage or abuse caused by customer misuse. All warranties are to be handled by the original retailer where the goods were purchased.

This warranty is valid only for the original purchaser and is not extended to owners of the product subsequent to the original purchaser. Any applicable implied warranties are limited in duration to a period of the express warranty as provided herein beginning with the date of the original purchase at retail, and no warranties, whether express or implied, shall apply to this product thereafter.

Armour Automotive does not warrant failure of an iO product caused by incorrect installation by a non approved installation center.

TRADEMARK

All rights reserved. The iO trademarks are the sole and exclusive property of Armour Automotive. Any other trademarks or names used in iO documentation are copyright protected and are the sole and exclusive property of their respective owners.

DECLARATION OF CONFORMITY

We Armour Automotive, declare under our sole responsibility that iO CONNECT complies with the essential requirements for CE Marking when used in a residential, commercial, vehicular or light industrial environment.

COPYRIGHT

Copyright 2007; Armour Automotive. All rights reserved. The total or even partial reproduction, transmission or storage of this guide in any form or by any process whatsoever (electronic, mechanical, photocopy, recording or otherwise) is strictly prohibited without prior consent from Armour Automotive.

MODIFICATIONS

The explanations and specifications in this guide are given for information purposes only and may be modified without prior notice. They are deemed to be correct at the time of going to press. The utmost care has been taken when writing this guide, as part of the aim to provide you with accurate information. However, Armour Automotive shall not be held responsible for any consequences arising from any errors or omissions in the guide. Armour Automotive reserves the right to amend or improve the product design or user guide without any restrictions and without any obligation to notify users.

As part of our ongoing concern to improve our products, the product that you have purchased may differ slightly from the model described in this guide. If so, a later version of this guide might be available in electronic format at www.my-io.com.

CORRECT DISPOSAL OF THIS PRODUCT (WASTE ELECTRICAL ELECTRONIC EQUIPMENT)

This marking shown on the product or its literature, indicates that it should not be disposed with other household wastes at the end of its working life. To prevent possible harm to the environment or human health from uncontrolled waste disposal, please separate this from other types of wastes and recycle it responsibly to promote the sustainable reuse of material resources. Household users should contact either the retailer where they purchased this product, or their local government office. Business users should contract their supplier and the terms and conditions of the purchase contract. This product should not be mixed with other commercial wastes for disposal.
