

JVC CH-X1500RF

Keep your hands free so you don't have to fumble around changing CDs when you want to hear a new song. JVC's CH-X1500RF, encased in a sleek modern design, give you the option of changing your mind 12 times!

The CH-X1500RF can hold up to 12 discs of CDs or MP3 files, and wired and wireless remotes mean you can focus on more important matters.
