Description

The CQ-RX105W comes with a front AUX input, allowing you to easily connect an MP3 player so you'll never be short of music while you're out on the road. Burn music in either MP3 or WMA formats, allowing you to put plenty of music onto one CD for hours of music in the car. The CQ-RX105W also comes with a remote control, which will help you to stay focused on the road. The new styling makes it a good looking unit that will match well with any car.
