

M60B / M60S

Remote Controlled Alarm & Automatic Dual Immobiliser

The **M60B & M60S** are fully featured alarms and automatic dual immobilisers operated by remote control (2 supplied) certified to AS/NZS3749.1 Class B 2003 and has an NZSA 4 Star rating.

If your vehicle has central locking*, these models can provide keyless entry - just press the remote button and your doors lock or unlock !

Based on the M60i dual immobiliser, these models offer extra security with the inclusion of alarm functions. The **M60B** includes an electronic siren, whereas the siren in the **M60S** has battery back-up for even greater security. The battery back-up siren will itself sound if any of its wires are disconnected or if someone disconnects the car battery. (Security keys are provided to allow you to change the car battery when necessary)
