

M60G / GNZ-09

5 Star Remote Controlled Alarm & Automatic Dual Immobiliser

The **M60G** is packed with so many features such as the inclusion of 2 sensors:- a two stage impact sensor AND a microphone glass break sensor.

The **M60GNZ** is the same specification as the M60G but excludes the 2 stage impact sensor.

Both models now include a built-in 1 to 5 minute programmable turbo timer, new 3 button remote controls and a blue dash mounted warning LED.

Fully Tested and Certified to the AS/NZ 4601 amendment 1 2003 and AS/NZS3749.1 2003 Class A for vehicle immobilisers and alarm systems.

* Some vehicles require additional parts at extra cost to enable this feature to operate
