

M80G / GNZ-09

Remote Controlled Alarm & Automatic Triple Immobiliser

The **M80G** provides high security for your car by including a microphone glass break sensor in addition to the 2 stage impact sensor.

The **M80GNZ** is the same specification but includes a Microphone Glass Break Sensor instead of the 2 stage impact sensor.

Certified to AS/NZS4601 amendment 1 2003 and AS/NZS3749.1 2003 Class A.

* Some vehicles require additional parts at extra cost to enable this feature to operate
