

# M805

## Remote Controlled Alarm & Automatic Triple Immobiliser

The **M805** is a fully featured alarm and automatic triple immobiliser operated by weatherproof remote controls (2 supplied) and are certified to AS/NZS3749.1 Class B 2003 Standards with an NZSA 4 Star rating.

If your vehicle has central locking\*, these models can provide keyless entry - just press the remote button and your doors lock or unlock !

Designed around an automatic triple circuit engine immobiliser, the **M805** offers extra security with the inclusion of a variety of alarm functions.

Included is a battery back-up siren for even greater security. The battery back-up siren will itself sound if any of its wires are disconnected or if someone disconnects the car battery. (Security keys are provided to allow you to change the car battery when necessary)
