3.5" Touchscreen

A 3.5" Touchscreen giving you uncluttered visual guidance with a finger friendly touchscreen

Latest 2008 Maps powered by Geosmart

Most up to date 2008 maps

Downloadable speed and red light camera alerts

Locations of fixed speed and red light cameras keeping you and pedestrians safe downloadable onto your S35. These alerts indicate a speed camera in the vicinity of your Navman. There is the option for both a visual and audible alert to remind the user that there is a camera on route and to proceed with

caution. The alert will only activate if the user is traveling at a speed nearing (or in excess) to the signposted limit as well as heading in the direction the camera may capture.

Spoken Street Names

Text to Speech is spoken voice guidance in clear pronunciation giving you greater navigation accuracy.

Petrol and Parking Shortcuts

Find the nearest petrol and parking to your location with a simple press of a button

Points of Interest

Explore your location for food, banks and other points of interest with over 500,000 preloaded Points of Interest.

Navpix via Desktop

Navpix is navigation via images. By tapping the photo on the screen you can navigate to that exact spot whenever you like.

Mileage Expense Reporter

Just like a logbook, your S35 records trip details and outputs mileage reports making expenses and tax time simple.

2-Year Warranty

Navman is so confident in the quality of our products; your unit is covered by a 2 Year warranty.
