

Product Specifications

Snitch GPS Vehicle Tracking System

Snitch is perfect for personal use vehicles so you can quickly and easily know where your vehicle is. Your Snitch will give you full real time tracking with a location update every 200 metres.

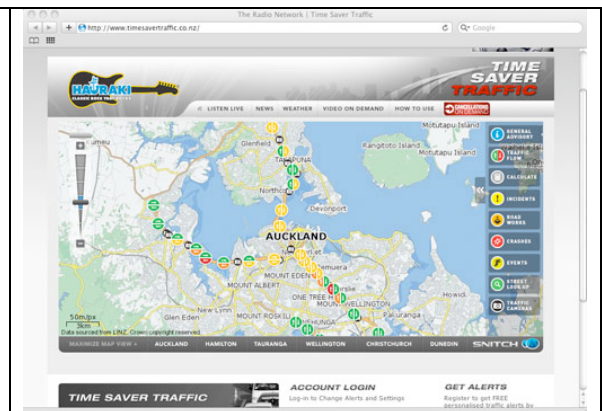

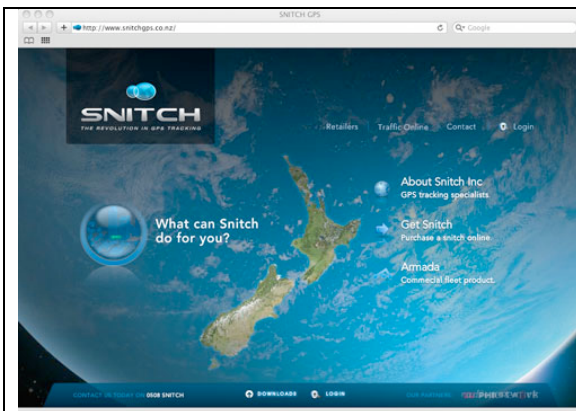

With a secure login via the Snitch website you can view the vehicle's progress 24/7 from any internet capable computer. You can also text Snitch for the address of your vehicle. Snitch will text you back the actual address of your vehicle (not just the GPS co-ordinates).

Ongoing costs of \$22 (plus GST) per month Apply plus the cost of any TXT sent from the Snitch. And with an AVS alarm installed as well you will Receive a text message if the alarm is activated.

This pack includes:

- SA3810 Snitch GPS tracking unit
- Vodafone SIM card to enable SMS communication
- All hardware for a standard installation

The price does not include installation, ongoing monthly charges or the cost of any SMS sent from the Snitch. Please contact your nearest 5 Star Car Alarm dealer for an installation quote.

Customer will need to complete a registration form before the product will be released from Snitch. Approx. 72-hour window after registration accepted. Customer is charged an ongoing monthly plan of \$22 + GST and 22c + GST per TXT direct from Snitch. Terms of trade discounts do not apply to this product and payment may be required before delivery.

Design and specifications subject to change without notice.
Note: All products come with full Manufacturers Warranty.
